

RIALTO
UNIFIED SCHOOL DISTRICT
BRIDGING FUTURES THROUGH INNOVATION

Blackboard®

Office of Communications/Media Services

Under the leadership of RUSD Superintendent, Dr. Cuauhtémoc Avila

Broadcast on March 5, 2020, 7:30 p.m.

Good evening Parents/Guardians and Staff of the Rialto Unified School District:

As you know, the recent international news coverage of the Coronavirus has prompted dialogues and inquiries from our community, regarding questions about the health, wellness and safety of our students and staff members. Officials from our District have been working closely in obtaining the latest updates by San Bernardino County Department of Public Health, regarding the Coronavirus. Currently, there are no confirmed cases of the Coronavirus at any RUSD schools, or within San Bernardino County. The San Bernardino County Department of Public Health has determined that the region is at a *low risk* at this time. However, we will continue to monitor the health and attendance of our students and staff and we are prepared to initiate appropriate emergency procedures, should the need arise. Thank you for your cooperation, while we ensure that schools remain a safe, healthy and a nurturing environment for all students and staff. Any further updates on the Coronavirus can be found on the District's website at www.rialto.k12.ca.us Thank you.
