

Eisenhower Class of 1963 55-year Reunion

October 20th, 2018 from 1PM to 5PM at the Mexico Café

892 E Highland Ave, San Bernardino, CA 92404

Jan (Overbey) Martin, Doug Bader and Doris & Randy Peeters are putting together a 55-year reunion for the class of 1963. Our primary objective is to have a low cost affair that is not dependent on having a huge turn-out. From our perspective, whether it is 10 people or 100, it is still a reunion. Recent attempts to have multi-year reunions have failed, in part, due to the fact that the more pricy venues require large head-counts. Our thought was to keep it simple, gather around a meal and visit with our classmates and their guests.

We have reserved the smaller room at the Mexico Café in San Bernardino which can hold up to 30-people and have the option to change to a larger room if we have enough participants. We do have to finalize the room choice by the end of June, so please RSVP as soon as possible.

They have an \$11 per person express lunch menu which does not include drinks or tip. We can pick from the following: All meals include beans and rice or salad, with the choice of 1 taco (beef or chicken), pork tamale, 2 taquitos, chile relleno, bean tostada, or cheese enchilada. There is also the option to order off their regular menu, which is more expensive.

You can check out their web site at <http://www.mexicocafe.biz/> for more details.

We highly recommend that you plan to visit the Rialto Historical Society Museum & Gallery the morning of the reunion. They will be open 10 AM to 2PM and are located at 205 N Riverside Ave, Rialto, CA 92376. Phone: 909-875-1750. This is a very interesting museum and really covers our school years while growing up in Rialto.

Please do let us know if you plan to attend or not so we can reserve the correct size room for our gathering. Looking forward to seeing you at the reunion. In the meantime take care and best regards,

Your reunion committee ... Jan, Doug, Doris & Randy
