Synopsis - Personal Vision, Observations & Life's Lessons

Dr. Randall Peeters will challenge the attendees to take an introspective and fresh look at their lives and to plan for their future. He motivates the participants in a manner that reveals the value of a personal vision. With his extensive background in the university, government and corporate world he shares personal observations & life's lessons gleaned from his experiences. His expedition portfolio includes the Adventure Grand Slam, i.e., climbing the highest point on each continent and reaching both poles, and is the basis for his helping attendees to better understand their challenges. Randy fully believes an effective personal vision is a key tool for individuals desiring a full and successful life.
